**Terms and Privacy**

Vital Source Technologies, Inc Terms and Conditions of Use

These Terms and Conditions of Use (the "TOUs") set forth the terms and conditions for your use of the VitalSource Store (the "Site") and your use of the reader software (including any associated documentation and any updates to that software) and the digital content that can be read by that software that we make available for download from the Site (respectively "Software" and "Licensed Content" and together "Products"). These TOUs also apply to any of the Services accessible through any Software or Site (the "Services"), unless separate additional terms apply, in which case they will be displayed on-screen via a link.

The Site and the Products are operated by VitalSource Technologies

I agree to the Terms of Use and Privacy Policy.

**Accept**

Start by accepting the Terms and Privacy agreement. Mark the box next to "I agree..." and click "Accept." Then, read and acknowledge the "Sampling" message.

**Sampling an eTextbook**

Before we can provide you with a sample copy of this title, the publisher needs a few pieces of information. After this one time process, you will be able to open the selected title, and your information will be provided to the publisher of this title, and any other complimentary titles you may request in the future.

Then, provide your email address.
