

## Enable Turnitin on an Assignments Folder

Article Number: 180 | Rating: 4.3/5 from 3 votes | Last Updated: Mon, Jun 11, 2018 at 7:53 AM

Complete the following steps to enable Turnitin [TII] to the Assignments folders in your course.

1. From the **Assignments tool** locate the Assignment folder that needs to have TII enabled
2. Click the action triangle to the right of the Assignments folder title>Choose **Edit Folder**
3. Click the **TII tab**>
  1. Click the **Enable Turnitin for this folder checkbox**  
[Note: if you receive an error: Unable to create Turnitin assignment....you may need to do one or more of the [error resolution steps](#) below]
  2. Click the **Turnitin Tab**>
    1. Click the **Enable Turnitin for this folder checkbox**>
    2. In the Frequency area, Click the **Automatic originality checking on all submissions** radio button>
    3. In the GradeMark section **set the GradeMark Available to Learners date** so students are able to review the Originality report and Grademark info.

The screenshot shows a web interface for editing a submission folder. The title is "Edit Submission Folder - Module 2 Inter Exercise". Below the title is a dropdown arrow. There are four tabs: "Properties", "Restrictions", "Objectives", and "Turnitin@". The "Turnitin@" tab is selected. Under the "Turnitin Integration" section, there is a checkbox labeled "Enable Turnitin for this folder" which is currently unchecked. Below this is a button labeled "More Options in Turnitin". Under the "OriginalityCheck®" section, there is a "Display" label and a checkbox labeled "Allow learners to see Turnitin similarity scores in their submission folder" which is also unchecked.

3. Click the **More Options in Turnitin** button>
  1. Click the **Optional settings** link
  2. Verify the Yes radio button is selected in the **Allow late submissions?** section;
  3. In the **Originality Report generation and resubmissions** dropdown select **Generate reports immediate (resubmissions are allowed until due date)**;
  4. review all other optional settings and confirm the Yes radio button is selected in the **Allow students to view Originality Reports?** section;
  5. If desired, enable **grammar check** by clicking the Yes radio button>Click **Submit**

**Note:** After clicking Save you may get a message to set the GradeMark Available Date as well. This date corresponds with the Assignments end date. Scroll down to the GradeMark Available to Learners section, set the day and time listed in the error>Click Save

4. Once all of the TII settings are enabled>Click **Save and Close**

**To Resolve Errors:**

If you are seeing an error stating that the Turnitin assignment could not be created. date\_due -due date must be after start date:

1. Go to the **Assignments Restrictions tab**
2. set the **Start Date, Due Date, and End Date**
3. Click **Save**.
4. Click the **Turnitin tab** and continue the enable TII.
