

MindEdge Course Start

Article Number: 393 | Rating: Unrated | Last Updated: Thu, Nov 15, 2018 at 2:12 PM

This course uses MindEdge content which contains the ebook [aka eText] as well as interactive study tools (you do not need to purchase it separately).

MindEdge eText Access

You will access the eText for this course through the **Content** tool in D2L. Note: all eText and digital content links will open in a new window.

More information regarding CCCOnline Digital Content can be found at the [CCCOOnline bookstore](#).

MindEdge Technical Support information can be found [here](#).
